

DISCOVER CHARTER SCHOOLS

Public. Free. Open to All.

As a proud California charter public school, we:

- ✔ Offer a great public education that prepares students for college, career, and life.
- ✔ Put the needs of students first, not the bureaucracy.
- ✔ Offer the personal attention that kids need to learn, because a “one-size fits all” approach doesn’t work.
- ✔ Were created by a passionate group of educators, parents, and community leaders.
- ✔ Are a not-for-profit, publicly funded public school that is free and open to ALL students.
- ✔ Are accountable to the families we serve, our charter school authorizer, and state and federal education laws.
